President's Message

WARM WEATHER IS HERE!

May is upon us and the June ride shortly thereafter! My the year is going by so fast and it seems to just get busier and busier!!! For those of you who haven't heard, the month of April held quite a few blessings for the Windriders Ranch gang. First Lori's puppies arrived (3 boys and 1 stunningly beautiful little girl - just like her mom Tally, except a little darker) and then, right after our Quicksilver meeting at the ranch, we bedded down our mare in the barn for what we thought would be an easy night only to discover her 'acting a little strange'. . . and at 10:10 p.m. out popped our newest little surprise, a beautiful - what appears to be chestnut - colt! There are babies EVERYWHERE and all of them very healthy!!

Hope you all don't mind, we gave Dick the honors of naming him!!~

Well, enough about us, back to focusing on what's really important for our club, the Annual Club Ride rapidly approaching on June 7th. We've continued to inch forward with all the plans and have finally received our FIRST ENTRY!!! The list of volunteers is starting to grow (from 6 - 8) so please be sure to speak up, call my cell or Katie's and/or email of us of your intent to either ride or volunteer. I have heard from some who can't make it but it sure would be appreciate to know (or REMIND US) how many helpers we'll have. The fun ride looks to be very popular given the newsletters and verbal discussions we've had with folks while out on trail, so PLEASE be sure to let us know if you can help.

Dates to remember:

- June 7th - QSER Club Ride

- June 11th - Barbecue at the Suhr's

Those are the only 'big dates' I have on the calendar right now but obviously there's more to come as we get close to the summer.

Congrats to club members who have been able to get out there and ride and/or support those that are!

Until we see your smiling face, stay healthy and keep smiling!!

~Sandy

Things You Learn When You Own a Horse (Part 1) submitted by Judy Etheridge

1. People who do not take care of their own horses will be the first to tell you how to care for yours.
2. You should never buy a cheap girth.
3. A handsome horse that's badly behaved will become a lost less attractive in fifteen minutes.
4. People who think they have nothing more to learn about riding hit the ground hardest.

QUICKSILVER ENDURANCE RIDERS SPRING CLASSIC

" Ride Bear"

Saturday, June 7, 2008
50 Miler, 25 Miler and 10 Mile Fun Ride

CAMP INFORMATION: Camp is located at the Coyote Lake-Harvey Bear Ranch County Park. This 4,595-acre park - featuring a 635-acre lake, provides camping and boat launch facilities, miles of horse, bicycle and hiking trails - is nestled in the Diablo Range east of the City of Gilroy. Dogs are also welcome on a 6 ft. leash.

How to Get There: There are three entrances into Coyote Lake-Harvey Bear Ranch County Park. Our ride site will be at the Harvey Bear Ranch.

Directions to the Harvey Bear Ranch Park- from U.S. Highway 101 (between Gilroy and Morgan Hill), take the San Martin Ave. exit. Proceed east on San Martin Ave. for 2 miles. The entrance to the park is on the left, one-quarter mile east of Foothill Avenue. Creek and hydrant water are suitable for horses, but riders should bring their own drinking water. Portable toilets and trash receptacles are provided. **NO OPEN FIRES PERMITTED.**

COURSE: There will be only two locations for the vet checks - at Base Camp and at the Mendoza Ranch entrance - the two being only 5 miles apart by vehicle. The trails are mild to moderate and will be uphill in the morning, giving your energetic horse an opportunity to do some moderate climbing to warm up. The vistas will include valley and lake views throughout the day with rolling hills to be enjoyed by all level of riders. The trails will be **extremely well marked** with dolomite and signs. Marshals will be placed where deemed necessary, particularly at any critical junctions. Some of the trail is in shady forest, with the balance in open parkland on fire roads with excellent footing and towards the home vet check, an open grassy flat area where your crews can view you the last 3 miles coming into base camp. There is multi-use trail pavement coming into the lunch/final vet check but gravel shoulders with open grass for riding on both sides. The trails are generally jeep road width, but there are also several one-mile (+ or -) stretches of single-track trail. Plenty of water from water troughs will be found and Management will provide amenities for the horse (hay, carrots and wheat bran mash at the out vet check) as well as for the rider (snacks and water at the out vet check).

The 10-mile fun ride is sponsored by the Quicksilver Endurance Riders - one of the oldest endurance ride clubs in the nation and is put on for the benefit of those that want to enjoy the trail as well as those wanting an introduction to the wonderful equestrian sport of endurance. All horses entered in the ride will be under veterinary criteria. Our knowledgeable QSER members will be helping all those riders with/without experience to understand the criteria as well as how to present their horses at the vet checks. **Juniors (anyone 16 or under) must wear helmets.** Ride management reserves the right to interpret the rules as would be necessary to insure the continuity of the rides and to settle any questions which may arise from any incident that might occur during the rides.

Knowing these facts, nevertheless, in consideration of your accepting this entry, I do hereby for myself, heirs, executors and administrators, waive and release the Quicksilver Endurance Riders, the Santa Clara County and State Parks Department and State of California and/or their representatives, heirs, executors, administrators, and assign from any and all right claim of liability for damages, or for any and all injuries that may be sustained by me including injuries to other animals or equipment and property or from any and all claims of any kind or nature that I might have.
