## President's Message

### Fall is in the Air

Where is the year going? Every year at this time, I look back on the goals I've set for myself and let my thoughts drift to next year and all the "great stuff" I am going to accomplish then. It's been a very busy year so far—working hard, traveling, raising our baby "Q" (as well as the other kids and critters)....yes, it's been a very busy year and it is not over yet!

As we move into fall, we have quite a few activities as a club to plan for, manage and attend to. By the time you receive this Quips, our QSER Fall Classic ride has been held and was successful despite the rain. Steve, Kathy and all the other volunteers worked extremely hard to make this ride happen, weather not withstanding. As you know, the money that supports our club comes only from membership dues and club rides, so it is very important to work to make our rides successful. Good job to all of you who helped put this ride on,

Attending to other important matters, a new slate of officers was nominated at the October meeting. Given that we have term limits, neither Kathy Brayton or I can be officers or board members for 2009. Additionally, Wendy Ebster, our secretary, will not be available to volunteer this year. In this Quips you will see the slate of proposed officers for 2009 and we will vote on our new officers at the November meeting. PLEASE ATTEND THE NOVEMBER MEETING AND VOTE. This club cannot operate without your participation.

### IMPORTANT DATES:

- November 19—**Meeting at Sandy Holder's Home (bring a side dish) and VOTE!!!!!!**
- December 10—Christmas Party
- December 31—PAY YOUR 2009 DUES!!!

The good news is, there are a few good rides remaining for this year....maybe I'll actually get to ride my horse (DESERT GOLD???)

See you soon,

Sandy

## 2009 QSER Elections

Nominations for Club officers are as follows:

Maryben Stover, President;

Karla Perkins, Vice president;

Ildi Nadasdy, Secretary; and

Trilby Pederson, Treasurer.

Elections will be held at the November meeting, according to the club bylaws which are set forth as follows:

### ARTICLE VIII

#### ELECTIONS

Section 1. No person may be a candidate in a club election who has not been nominated. Nominations for the offices of President, Vice President, Secretary, Treasurer and Board Members will be accepted from the floor at the October general meeting. Nominations may be made by any member in attendance provided that the person so nominated does not decline when his name is proposed, and provided further, that if the proposed candidate is not in attendance at this meeting, his proposer shall present to the secretary a written statement from the proposed candidate signifying his willingness to be a candidate. A candidate for an office who is not elected is automatically nominated for a position on the Board of Directors unless said candidate declines to run.

Section 2. The names of the candidates nominated will be mailed prior to the November general meeting. At the November general meeting the officers and board shall be elected by the general membership.

Section 3. Elections shall be by secret ballot. An absentee ballot shall be provided for any member who wishes one by contacting the President; provided the request is made two weeks prior to the election. The absentee ballot shall be sent by the election committee with a self-addressed stamped envelope included marked "BALLOT". The tellers shall put the member's name on the outside of the envelope. The ballot shall not be opened until the night of the election after the teller has verified the member is not present. The tellers shall then open the envelope and place the folded ballot in the ballot box before the other ballots are collected.

### Mariposa Ride

From Richard Theodore:

We are waiving the late fee of \$20 so you can put that money in your tank. If you are considering coming to our ride this weekend, the weather is expected to be around 60 degrees and we are going to have a great time. This will be the last time you will be able to purchase tickets for the "Tervis Logo" stained glass by artist Holly Foiles. The drawing is at the ride and the winner will be able to take it home. All proceeds benefit the WSTF. Holly also makes the Mariposa Ride logo stained glass that is one of the ride awards.

### Calero Classic Endurance Ride – September 20<sup>th</sup>

Now that the dust has settled, bills are paid and results are posted I thought I would give everyone an update on the ride.

At the ride meeting, I asked people to give me feedback on the ride so I would know whether or not to do it again. I got quite a bit of response back and it was all positive! Riders and volunteers all had favorable response to the ride and are asking for it to happen again next year.

**Riders discovered the trail was beautiful but also difficult. The weather could not have been more perfect...** cool in the morning, sunny and about 80 degrees in the afternoon. Pulls were at a minimum in both the 50 and 25. We all enjoyed a great tri-tip BBQ.

The Fun Ride had 18 riders. Most of them showed up on Saturday morning because of the later start time.

The ride was to benefit DreamPower Horsemanship, a therapeutic riding program in Gilroy. Half of the profits were given to DreamPower and I am happy to report there were profits. With a first time ride I was not sure what the attendance would be like. As ride manager you put together a budget and then hope you are close. It all worked out.

Margaret was a fabulous ride secretary keeping everything in order and even feeding late arrivals on Friday night.

Because of the positive response I have sanctioned the ride for 2009. The date will be September 19<sup>th</sup> which is the same weekend as 2008. I will try to change the trail a little bit to help make a couple intersections less confusing. It will again be a benefit ride for DreamPower.

We had an expert group of people volunteering the weekend of the ride. There are just too many people to list in this update. Many were Quicksilver members.

Thanks to everyone who rode and helped. The ride would not have been a success without you.

Lori Oleson, Ride Manager
